

TRADEASIA

EFFLUENT & WATER TREATMENT

WHO ARE WE?

Established in 2004, Tradeasia is a rapidly growing supply chain company which provides various industrial raw material including chemicals, water treatment, polymer, fertilizer, rubber and scrap. Headquartered in Singapore, Tradeasia also operates in 12 countries as our trading hubs. We have a vast product portfolio and distribute to a wide range of industries. We strive to build lasting bonds through trust, integrity, commitment, partnership, entrepreneurship and sustainability - the forces that make us succeed as a company.

EFFLUENT TREATMENT BUSINESS VERTICALS

Tradeasia effluenttreatmentchemicals.com is one of the biggest Water Treatment chemicals portals in Asia. Our platform provides a wide-range of water treatment based chemicals for various applications.

We provide multiple products, including activated carbon, industrial salt, hydrochloric acid, polyaluminium chloride, Etc. to support our buyer needs. We strive to provide customers with high-quality products from notable suppliers while ensuring seamless and secure trade services.

VISION

To be a reliable and trustworthy partner in the global supply chain of raw materials

MISSION

To supply good quality products and services delivered using e ective supply chain solutions while providing pro table and sustainable growth to all our stakeholders

WHY TRADEASIA?

EXPERTISE

Tradeasia is equipped with insightful team leaders with in-depth knowledge in catering customer requirement to carry out various chemical distribution services globally. Our company operates under an integrated system which allows seamless import and export services.

SERVICES

Customer satisfaction has always been our top priority. We strive to provide an e cient and e ective communication services for our partners through both online and o ine platform. Tradeasia also support customers by providing a simpli ed procurement process for various product. Thus, becoming one stop solution for our customers.

QUALITY

Tradeasia is connected to various trustworthy and reliable suppliers all across the world. We ensure that customer will receive high quality products through quality control and assurance in order to meet their speci c requirement. We would be able to provide required certi cation and pre-shipment procedure when necessary.

SUPPLY CHAIN

Tradeasia aims to assist customer with an optimized end-to-end supply chain solution process which includes, nancing, documentation, and full scope logistic services. We also have a subsidiary logistic company which help lower the trade business cost and increase trade competitiveness. Additionally, we privately owned ISO Tank eets for liquid chemicals to facilitate the supply chain system.
